Thank you for purchasing these Slee Off-Road parts for your Land Cruiser. All attempts have been made to supply the bracket and related parts in perfect condition with complete installation hardware. However should you have any problems with the condition of the parts or find any parts missing, please do not hesitate to contact us at 1888 4X4 SLEE or sales@sleeoffroad.com

Your Slee Off-Road parts are guaranteed free of defect in material and workmanship for a period of one year from date of purchase. Should you experience any problems, please contact us directly to resolve any issues. We have attempted to provide complete installation instructions provided below. However from time to time changes might be made to parts and associated hardware and you might notice small inconsistencies with the instructions. Please notify us of such occurrences so we can correct them.

Installation Instructions

Removal of trim piece

1. Insert a small flat blade screwdriver under the locking tabs located on the top edge of the little "cubby hole" that is located above the radio.
2. Bend the tab down and pull out gently.
3. Repeat with other tab. Once both tabs are released the trim piece will pull out.
4. Remove the two Phillips head screws on either side of the opening.

Installation of cup holder

1. Push cup holder to open.
2. Slide cup holder into opening.
3. Use Phillips head screws to attach.
4. Rub the runners of the cup holder with wax to make it slide easier
